## Welcome to the 2009 YFL Season!

Welcome YFL players and families to our 2009 youth football season! Your 2009 Board of Directors are all committed to making this our biggest and best season yet. We are excited to see all of you at registration in May.

First and foremost we would like to thank each and every family that has been a part of our League. We know the huge commitment (of time, finances and energy) that you make each season with youth football. It is this very commitment that keeps us moving forward and reaching new levels each year. This year is no exception as our goals are high, well

planned out and ready for action. We are launching a new level of family participation and forming YFL Committees this season too. At registration, please take a moment and sign-up for one (or more) of our new committees. Applications are also being accepted for coaching positions. Please visit us online and download the coaches

(and assistant coaches) application and get it in by the 5/31 deadline. All applications will be reviewed by a committee and recommendations made to the Board of Directors at their June meeting.

For returning players, new players, and families - be sure to mark your calendar for the May 2nd registration. See the back of this flyer for more information.
